

kw SHORE PROPERTIES KELLERWILLIAMS

Dear Normandy Beach Resident,

As you already know Normandy Beach is a quiet private family friendly community!
One of the best-kept secrets on the barrier island between Point Pleasant Beach and Seaside Heights.
Just a drive through for most!

Well I have another secret for you that doesn't have to be a secret. Keller Williams Shore Properties has been hired by one of your neighbors to sell his oceanfront home. He has decided to let us market it "exclusively" through KWSP so with that being said we cannot cooperate with other real estate brokers and market the property like we traditionally do using the Multiple Listing Service MLS. We are actually prohibited from installing a yard sign, placing ads on all major real estate sites, email blasts and no print advertising!

So the purpose of my letter is to alert you that this oceanfront home is available to anyone through my office. If you know someone who is in the market for an oceanfront in Normandy perhaps a friend family member or even yourself please contact me via email at rreinhold@kw.com or directly on my cell 908 578 6365 to obtain the address and all the details

I look forward to hearing from you soon! Enjoy the rest of the summer!

Sincerely,

Robert "Bob" Reinhold
